CLASS OF 2004 – Rusty Lucas

For the past 7 years, Rusty Lucas and the Wolverines have been synonymous. In 1998, Rusty brought his son Bradley to the Wolverines however when he did, it wasn't just Bradley that would make an impact in the organization, as Rusty too would be an impact player. Whether it has been getting water for the boys, helping coach as he did for 2 years on the 3rd & 4th Grade level, helping seed the field, moving equipment at the field, getting ice for the concession stand, setting up the field before games, or just opening the gates for deliveries...

Rusty Lucas has been there for the Missouri Wolverines.

In appreciation for all that Rusty has done over the past 7 years, we have honored him here, in the Missouri Wolverines Hall Of Fame within the Volunteer Section.

Rusty's son Bradley became the first player to complete 7 years of football within the Missouri Wolverines Organization and Rusty has become the first inductee into the Missouri Wolverines Hall Of Fame: Volunteer Section.

FROM ALL THE WOLVERINES FAMILY - THANK YOU RUSTY FOR EVERYTHING!
