

Tommy Bengimina #10

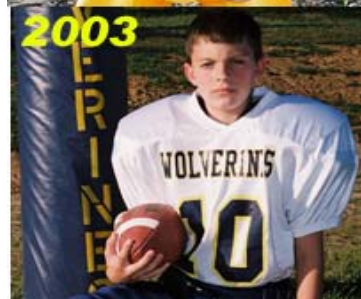

Wide Receiver
Corner

**Wolverines Award Recipient
6 year Wolverine (1999-2004)**

Tommy Bengimina came to the Wolverines when the Wolverines were still practicing at Crestview Park behind St. Pius X High School. Tommy was a talented athlete and could have chosen to play on several other teams yet chose to play for the Wolverines in the 3rd & 4th Grade.

As a 3rd & 4th Grader, Tommy played Quarterback and put up some impressive numbers as he passed for 104 yards as a 4th Grader going 10 for 28. He won the 3rd & 4th Grade Most Valuable Player in 2000 as a 4th Grader.

As a 5th & 6th Grader, Tommy remained at Quarterback where he was a starter his 6th Grade year and led the 5th & 6th Grade to their 1st Division I Playoff appearance. Tommy did not break any records as a quarterback but more importantly he did not hurt the team either.

As a 7th & 8th Grader, size seemed to hurt Tommy yet he continued to play and contribute when the team needed him. No longer a starter, he played as a backup in many games yet ended his career the same way he started, as a team player.
