

2016 Savage Gridiron Classic  
3rd & 4th Grade Varsity Bracket

Loser Game # 1

Loser Game # 2

Due to the odd number of teams and a limited number of fields for game space, we will not play out third place in this bracket. All Non Championship game teams will receive tournament medals.

The bracket was designed to provide the best game experience for the paying and traveling teams and to insure that teams who traveled would receive two games. To achieve this, seeding the local team was the only option; as they may only receive one game. Good luck to all the teams.
